TORONTO METROPOLITAN UNIVERSITY

Bachelor of Architectural Science
Expected Graduation: 2028

SKILLS

SOFTWARE

- Revit, Rhino, Enscape, Illustrator, Photoshop, InDesign

TECHNICAL & SOFT SKILLS

- Orthographic & render drawings
- Physical model making
- Basic structural & envelope understanding
- Diagramming & architectural storytelling
- Team collaboration & time management

WORKING EXPERIENCE

TENNIS COACH

Leaside Tennis Club | 2021 - Present

- Led training sessions for children and adults while balancing full-time studies

CO-FOUNDER - VINTAGE CLOTHING RESALE BUSINESS

Toronto, ON | 2022 - Present

- Managed an online vintage clothing resale business, overseeing sourcing, marketing, and sales strategy.

CUSTOMER SERVICE REPRESENTATIVE

Elections Ontario | 2024

- Provided customer service to voters while managing inquiries and supporting polling station operations.

STUDENT EMPLOYEE

Ontario Science Centre | 2024

- Assisting customers, managing inventory, restocking displays and directing visitors.

ACADEMIC & DESIGN PROJECTS

BIRD WATCHING CENTER

High Park, Toronto | 2025

- Designed a site-responsive building integrating landscape, ecology, and materiality
- Explored sustainable strategies including bird-safe glazing, timber construction, and green roofs

COMMUNITY FOOD HALL

World Food Market, Toronto | 2025

- Designed a food hall that breaks the rigidity of a small rectangular site through, angled floor plates
- Used façade articulation and interior spatial variation to challenge the site's orthogonal constraints

CONNECTING CONCEPT CITIES

Concept Pavilion | 2024

- Designed a pavilion exploring the relationship between above and below through light and atmosphere
- Used daylight and materiality to shape an underground gathering space

AWARDS & ACTIVITIES

- Year End Show 2025 - Toronto Metropolitan University
- Timber Fever 2025 - Toronto Metropolitan University
